

Experience

DRESSLER ADVERTISING

Graphic Designer, Sept 2015 – present

Led the web design project for clients such as the 9/11 Museum, The Children's Museum of Manhattan, Spring Bank, as well as Dressler's new website. Creatively directed a Fendi sponsored presentation for TLP Consulting. Actualize illustrations for Dressler's blog features.

JOHNS HOPKINS UNIVERSITY

Freelance Design Contractor, April 2016 – present

Designed a print collateral for Saul Zaul Innovation Fund including event brochures, promotional pieces, as well as Quarterly Fund Reports. Responsible for an efficient email merge template for mass email production. Also designed a variety of product and brand pieces for the Film & Media Studies MA Program.

MARYLAND INSTITUTE COLLEGE OF ART

Intern, Sept 2014 – May 2015

Under Sandra Maxa's guidance, designed a poster for a lecture based off of newly published book, *Typographic Design*. Created various print material for the Graphic Design Department to aid students during the academic school year. Managed and maintained design facilities for optimized work space.

T. ROWE PRICE

Intern, May–Aug 2014

Redesigned elements from MoneyConfidentKids.com, T. Rowe's internal time tracker, and a customer bank verification page to create top UI/UX design for viewers and customers. Team player in an in-house commercial for the revamped T. Rowe Price site. Provided thumbnail sketches for video frames, created featured design pieces, as well as art directed on-set.

UNIVERSITY OF MARYLAND MEDICAL CENTER

Intern, Feb–May 2014

Worked alongside the Creative Director on creation of all collateral materials, print and online. Created screen postings for the digital signage system featured in all hospital locations with content provided by the Office of Communications & Public Affairs.
